Transplant Hepatology	Max CLB Hospital, New Delhi.	Dr. Subhash Gupta/ Dr. Sanjeev Saigal
Transplant Hepatology	Medanta Institute of Liver Transplantation and Regenerative Medicine, Gurgaon.	Dr. AS Soin
Interventional Radiology	KEM Hospital, Mumbai.	Dr. Akash Shukla

Duration

Two weeks

Eligibility

1. A trainee currently enrolled in a DM or DNB (Gastroenterology or Hepatology) program at an MCI or NBE recognized institution, respectively.
2. A member of INASL (if not one already, should apply immediately and attach the proof)

Procedure for Applications

Applicants should email the following documents to inasl.secretary@gmail.com:

1. A covering letter stating areas of interest/research of the candidate and the reason he/she is interested in this fellowship. (A4 paper: up to 500 words).
2. Detailed CV.
3. A letter of recommendation from the Head of the Department/Head of Unit where enrolled

Last date for applications

15th June of every year.

Selection process

INASL will set up a 3-member committee to consider the applications. Names of selected candidates will be announced on the INASL Website by 15th July of the year.

Preference will be given to candidates who:

1. Have published (or accepted for publication) papers.
2. Are senior in training (e.g. 3rd year trainees over 2nd year, etc).

Published papers will get more weightage than seniority; age is not a preference criterion.

Support provided

1. INASL will provide to & fro economy airfare (maximum Rs 15,000) from the candidate's town/city to host centre.
2. The training center will make lodging arrangements for the candidate.
3. The selected candidates will bear the costs of food and local travel.

Logistics Incharge

Dr. Sunil Taneja, Member, Governing Council, INASL
